**DEFENDANT'S ADMISSION** 

USPO Todd Sanders alleged that Defendant violated the conditions of supervised release in five respects:

- Failing to submit urinalysis for testing on June 15 and 17, 2005, and (1) September 9, 2005, in violation of the special condition directing her to participate in the urinalysis screening program.
- (2) Failing to notify the probation officer ten days prior to changing employment, in violation of standard condition number six.
- Failing to notify the probation officer within ten days of change of residence, (3) in violation of standard condition number six.
- (4) Failing to return to the Central District of California on September 7, 2005 as instructed by the probation officer, in violation of standard condition number three.
- (5) Using methamphetamine on or about September 14, 2005, in violation of standard condition number seven.

At an initial hearing, I advised the defendant of these charges and of her constitutional rights. At today's hearing Defendant admitted the violations #1-5. Defendant waived any hearing as to whether they occurred, and consented to having the matter set for a deposition hearing before the Hon. Robert S. Lasnik. The Government has no objection to defendant's continued release pending the disposition hearing.

## RECOMMENDED FINDINGS AND CONCLUSIONS

Based upon the foregoing, I recommend the court find that Defendant has violated the conditions of her supervised release as alleged; and set the matter for a disposition hearing.
